Warranty Information

Wagoners Epoxy Floor Systems & Polished Concrete LLC provides a Lifetime Warranty with every installation of concrete coating.

- This Warranty set forth below is conditioned upon Property Owner having paid in full all sums due under this agreement, including any extras or change orders. Unless agreed in writing by both contractor and property owner the sole warranty of the work shall be as follows: Contractor warrants workmanship for a period of 2 years from the final billing. If concrete coating failure appears during the warranty period due to improper workmanship, contractor will supply labor & materials to correct the condition. Responsibility is limited to correcting the condition as indicated above. Any claim under this warranty must be made by delivering written notification to contractor within 10 days of discovery of such condition. This warranty excludes, and in no event will contractor be responsible for damages caused by accident or abuse, temperature changes, settlement or moisture, cracks caused by expansion and/or contraction.

This warranty constitutes the sole and exclusive warranty made by contractor and there are no other warranties, including but not limited to the implied warranty of merchantability and warranty of fitness for a particular purpose and all such warranties are expressly disclaimed and excluded by the parties. The warranty also constitutes the owner's exclusive remedy against contractor including the alleged negligence of contractor and contractor shall not be liable for any incidental or consequential damages, including delay or other damages.

Wagoners Epoxy Floor Systems & Polished Concrete Completes a Moisture reading on ever floor if concrete slab reading is over 5% Wagoners offers a Moisture blocking primer system. This primer application will prevent moisture from passing through the existing concrete and add additional long term durability to our floor coatings.
